

PAUL ECKE CENTRAL'S ENRICHMENT SHOWCASE

March 5th – March 9th

We invite you to come “WALK THROUGH THE WHEEL” with your child and experience the unique weekly learning opportunities that provide quality instruction for our students while allowing classroom teachers time to collaborate. Stay for the whole grade level wheel rotation or come see just a snap shot of the day! Feel free to come during a time period that works with your schedule ... even if it is not during your child’s rotation. We look forward to seeing you there!
